

FOUR OR MORE IN 2024

We have a challenge for you! We want your chapter to grow by four members by the end of the year.

We wholeheartedly believe in peer-to-peer support, accountability, weekly meetings and the connections you make within TOPS – why shouldn't we spread the love? It's time for TOPS' next generation to emerge. Let's go get some new members!

SOME LOGISTICS:

TOPS will handle the numbers – we'll look at how many members your chapter had as of Dec. 31, 2023 and compare to Dec. 31, 2024. No extra legwork on your part!

Already brought in 4 new members? Great, we'll count them! If a former member reactivates his or her membership, we'll count that person, as well.

WHAT'S IN IT FOR YOU:

Fully stocked gift baskets from HQ filled with TOPS merch, gift cards and more for the top 10 chapters that bring in the most members!

When your chapter hits the "4" benchmark, we'll add your name to a list that'll go in TOPS News in early 2025.
