

Support our mission

Since homemaker Esther S. Manz started the first TOPS chapter in 1948, TOPS has grown into a 501(c)(3) nonprofit organization with an international reach, helping millions of people in the United States, Canada, and around the world.

Your gift of any size helps to preserve the legacy of Mrs. Manz and her vision to help and support people of all backgrounds who cannot afford more expensive commercial programs.

Your gift to the TOPS General Fund may help with such initiatives as chapter disaster relief, retreat scholarships for deserving members or medical research into causes of and treatments for obesity and related conditions, just to name a few.

You can rest assured knowing your gift always will be used where the need is greatest.
