The purpose of a retreat is **not** quick weight loss.

A 1,500 -1,800 calorie daily menu divided into three meals should satisfy and aid your progress toward your goals. Nutritional information is from "**Real Life: The Hands-on Pounds-off Guide**". We center on improving eating habits, increasing physical activity and increasing positive attitude while making new friends. Sessions target a variety of topics including nutrition information, self-esteem, and goal setting.

**Retreat focuses on helping each other take and keep off pounds sensibly.**
